Sgt. Joseph Nicholas and K9 Paige make first big bust as partners

On 05-31-2015 the Dodge County Sheriff's Office Sgt. Joe Nicholas and K9 partner Paige conducted a traffic stop in the Town of Lomira that resulted in an arrest for possession with intent to deliver 67g of MDMA. The full name of the drug is 3, 4-methylenedioxy-methamphetamine, however it is more commonly referred to on the street as Ecstasy or Molly.

In addition to the MDMA Sgt. Nicholas located over 10.5 oz of Marijuana that was mostly in the form of a large brick of "marijuana butter" along with over \$500.00 of drug money. A switchblade knife and other various pieces of drug paraphernalia were hidden in the vehicle.

Sgt. Nicholas and K9 Paige represent the Dodge County Sheriff's Office's effort to reduce the transport of dangerous drugs on Dodge County roadways. The type of drugs that were seized today is particularly dangerous to people who use them due to the potency of the substances.

People that transport and distribute dangerous substances in Dodge County can expect to be arrested and charged with a crime. It is our goal to prevent the spread of illegal drugs into our communities and the K9 teams are an extremely important resource in our attempts at keeping your neighborhood safe.

Additional information can be obtained by contacting Sheriff Dale J Schmidt.
